

Are you feeling lonely...need some companionship...do you need some Joy in your life? We have the answer for you. Joy is a 4 yr old, spayed female Australian Cattle Dog mix. She is potty trained and well behaved in the home. She is truly a joy to be around. Joy is very affectionate and will follow you everywhere. She especially enjoys car rides and playing fetch with her favorite squeaky toy. Joy was adopted 2 years ago, but due to a divorce she was returned to the rescue. Won't you please open your heart and home to foster Joy? She needs to be the only pet in the house.

Meet Kobe. He is about 1 year old and very sweet. A vet's office contacted us. Kobe had been a stray in a neighborhood for awhile and the neighbors had put up flyers, but nobody claimed him. He got hit by a car and broke his leg. It is a clean break and all they had to do is splint it. He will be fine in about 6 wks. Shannon is fostering him in Camp Verde but I need to get him to the Phoenix area to be closer to vets that work with us.

Do you have a dog that needs a playmate? Are you a jogger and want a partner? This is the foster dog for you. Bandit loves to play with other dogs and he is a love and gets a long with everyone. He has a lot of cattle dog energy and just wants to run and play. He is about a year old. He listens to commands if you have strong leadership skills. He needs someone willing to work with him. He needs some crate training and we will supply a heavy duty crate that he cannot get himself out of. Bandit is a fun dog, won't you ask to meet him?
